*HAPPY NEW YEAR!*

## A FEW REMINDERS

- Please remember that it is getting very cold outside during our morning and afternoon recesses. Please dress your child appropriately
- When a child brings personal items or toys from home, it not only creates conflict when other children would like to play with the objects, it diverts the child's attention from his/her work. Therefore, we ask that all personal items except for "Show and Tell" remain at home. The school does not assume responsibility for items brought from home. This applies to all classes.
- Inclement weather policy: As the winter months continue, please remember we follow the public school's closure policies in regards to late start and snow days. On two hour late start days and snow days we will have no school but will be open for childcare only.
